

- Patrons Application Form -

Our passion for good food, live music and supporting emerging talent is the basis for our Club; welcoming prospective Patrons from a broad spectrum of vocations and disciplines. The financial support we receive from you goes towards keeping this place alive for all the emerging talent to benefit from.

We house a residency program that selects musicians/artists that are in need of nurturing and development. One night a week is dedicated to the selected artists. However, they are rehearsing and recording at all times in the building! Look forward to our yearly update of all the good things that follow on from this springboard.

This Club is the first of its kind and will remain a special place in the hearts of all that are part of it.
